Continuity Waltz: Level II

Thursday Evenings in March at 8:00 PM at Georgetown West

If you are comfortable with Foxtrot and Waltz, but stick mainly to those straight and right angled steps, this class is for you. Vito will cover this slightly more advanced, varied, and beautiful form of the Waltz, introducing a more flowing or continuous movement. You may have seen others dance this way and admired how it looked. Here's your chance to learn continuity from the beginning and take your Waltz to a whole new level.

Tango: Level III
