Dance World is a not-for-profit, membership-based organization promoting all forms of dance, including Ballroom, Latin, Hustle and Swing. The club supports exposure to dance education and provides a safe and enjoyable social atmosphere.

Each month, a different professional ballroom dance instructor is invited to teach the pre-dance lesson at Dance World. Vito is always a favorite. Last time, he taught a Cha Cha lesson to a packed house.

Refreshments are served, parking is free. Dancers of every skill level, couples and singles are all welcome!
